Studio Rules

- If you don't feel well, don't come in
- Treat everyone with respect. We all have different views on life in general and politics and religion in particular. We can learn from each other if each person is listened to.
- No more than twelve people can work in the studio at the same time
- If a friend comes to the studio, text the members in advance if possible and if not, text members when the friend arrives. The friend cannot use any member's space if the member is present.
- Clean up after yourself
- No students or members under 18 unless approved by the BOD
- No Smoking
- No working in studio after consuming alcohol or marijuana
- No alcohol in the studio unless approved for a special event by the BOD
